

# Attendance

Whole school  
Attendance  
for last  
term..  
**78%**

Attendance is important because students are more likely to succeed in academics and in life when they attend school consistently.

## Celebrate success

In December the Year 10 & 11's sat their Mock Exams. All pupils involved did exceptionally well and worked hard.

Just a few successes:

- Tarren Moore English Grade 6, Humanities Grade 6, Maths Grade 6, Science Grade 6
- Ethan Stevenson Maths Grade 3, English Grade 3, Science Grade 3
- Takeem White English Grade 2

All the pupils that attended the Christmas meal and raffle had an amazing time. We were able to celebrate the year and reward pupils that have worked hard over the last term.

Christmas Meal

In November the Science department organised a stargazing evening for students and families. All who came had a fantastic time looking at stars and learning about the different star constellations.

Science

On the 19<sup>th</sup> November a number of students and staff took part in a Charity Mud Run at Illston On the Hill. The event was to raise money for the Young Minds Trust which supports young people with mental health issues. We raised £623.25!!
